We work with highly qualified graphic designers with a lot of experience and creativity in designing and branding. We help companies to host their social Medias to foster awareness of their undertakings. We base more on Corporate Branding, Personal Branding, Product Branding, Geographical Branding, Online branding, Offline Branding, Co-branding and Service Branding. We also have difference types of printing such as Surface Printing, Flexographic Printing, Screen Printing and Rotary Screen

PEST CONTROL SERVICES:

Lacuna Company limited possesses TPHPA PERMIT NO.1562 for pests control and management. Pests can be a nuisance and cause serious damage to your business. That's why our team specializes in comprehensive pest control services. Our pest control services use safe and effective methods to control or eliminate pests like rodents, insects, and birds. We specialize in both residential and commercial pest control, including bed bug, cockroach, and termite control.

SECURITY SOLUTIONS:

Lacuna Company Limited specializes in providing comprehensive digital security systems designed to protect businesses from cyber threats, safeguard data, and ensure compliance with regulatory standards. Our services are tailored to meet the specific needs of various industries, including mining and other business sectors.

CCTV Surveillance:

CCTV surveillance systems provide continuous video monitoring of premises, helping to deter and record unauthorized activities. These systems are essential for ensuring the security of business facilities, including sensitive areas in mining operations.

Analog CCTV System transmit video over coaxial cables to a digital video recorder (DVR)

Wireless CCTV Systems transmit video signals wirelessly, using Wi-Fi or other wireless technologies.

IP (Internet Protocol) CCTV Systems use digital cameras to send video footage over an IP network.

Intruder Detection System:

Intruder detection systems use sensors and alarms to detect unauthorized entry into secured areas. These systems promptly alert security personnel to potential breaches, ensuring quick response to threats.

Fence-Mounted Sensors:

These sensors are attached to fences and detect vibrations or movements caused by climbing or cutting the fence

Buried Cable Sensors:

These sensors are buried along the perimeter and detect ground vibrations caused by walking or digging.

Access Control:

Access control systems manage and restrict entry to buildings and specific areas within facilities. Using methods like key cards, biometric readers, and PIN codes, these systems ensure that only authorized individuals can access sensitive locations.

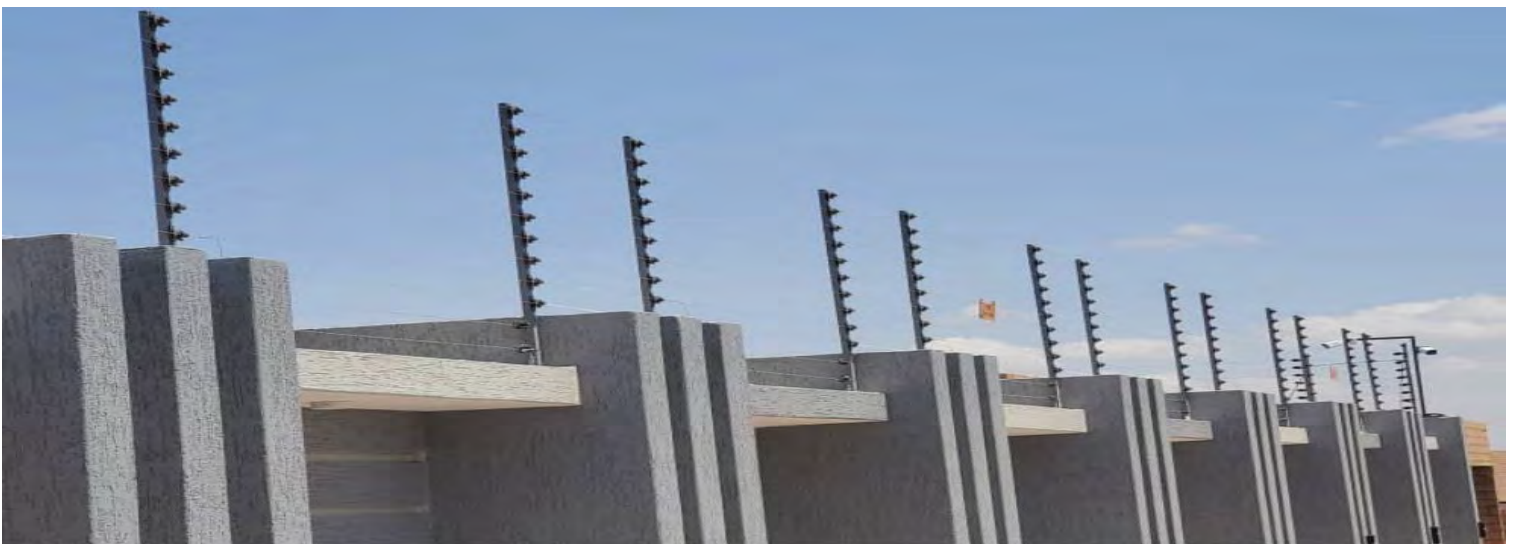

Automatic Gates and Barriers:

Automatic gates and barriers control vehicle and pedestrian access to secure zones. These systems enhance perimeter security by allowing controlled entry and exit, ensuring that only authorized personnel and vehicles can enter restricted areas.

Electric Fence:

Electric fences act as a deterrent against unauthorized access and provide an additional layer of physical security. They are particularly effective for protecting the perimeter of large facilities, such as mining sites, by delivering a non-lethal electric shock to intruders.

Fire Suppression Solutions

Safeguard lives, property, and the environment

Lacuna Company Limited is a certified dealer, officially registered by the Ministry of Home Affairs, Fire and Rescue Force, as a competent provider specializing in the sales, installation, and maintenance of fire suppression systems.

Our services focus on providing reliable solutions to safeguard lives, property, and the environment. We offer high-quality components such as fire detectors, sprinklers, and gas-based suppression systems, designed to meet the needs of various settings. Our expertise includes systems tailored for residential, commercial, and industrial spaces, including water-based, foam, and gas suppression technologies that ensure optimal fire protection.

In addition to system sales and installation, Lacuna emphasizes regular maintenance and compliance with fire safety standards. Our team conducts inspections, testing, and servicing to guarantee system functionality and longevity. With a commitment to excellence, we help clients prevent fire-related risks while ensuring their safety and regulatory adherence. Trust Lacuna for reliable fire suppression solutions that protect your assets and promote peace of mind.

Our Comprehensive Fire Suppression Solutions

Our solutions combine advanced technology and expertise to deliver superior fire protection. We supply and install high-quality fire suppression systems tailored to meet your specific needs, with a focus on the following common tools and equipment:

Fire Detectors and Alarms

These systems are the first line of defense, designed to detect heat, smoke, or flames and immediately alert occupants. We offer state-of-the-art detectors and alarm panels, ensuring timely fire detection and response.

Automatic Sprinkler Systems

Automatic sprinklers are critical in suppressing fires before they spread. Our systems are engineered for efficiency, providing reliable water-based solutions for spaces ranging from offices to warehouses.

Gas Suppression Systems

For sensitive environments such as data centers, server rooms, and laboratories, we provide gas-based systems that use inert gases or chemical agents to extinguish fires without damaging equipment or leaving residue.

Fire Extinguishers and Hose Reels

We supply high-performance fire extinguishers for various fire classes (A, B, C, and D) and robust hose reels for effective manual fire suppression. Our team provides guidance on proper placement and usage to maximize safety.

Fire Suppression Panels and Control Units

These panels serve as the brain of the suppression system, managing the activation of fire suppression agents. Our solutions integrate advanced control technologies to ensure precision and reliability.

OUR CLIENTS & PARTNERS

We believe it takes a team to win. That's why we have partnered and work together with institutions, private companies, governmental bodies and foundations. Our partners have worked with us to deliver ever more innovative, effective and successful projects and programmes and their support has been vital in achieving our Mission and Vision.

Re: **APPROVAL OF THE LOCAL CONTENT PLAN FOR LACUNA COMPANY LIMITED**

Kindly refer to the above-captioned subject.

2. The Mining Commission is pleased to inform you that your Local Content Plan submitted to the Mining Commission for Contractor Services to the Mineral right holders has been **approved** by the 25th meeting of the Local Content Committee held on 17th January, 2025. The approval has been granted as per Regulation 11(5) of the Mining (Local Content) Regulations, 2018.
3. Please be informed that the approved Local Content Plan is operative only for the period of one year from the date of this approval. In this regard you will be required to submit another annual Local Content Plan before the end of January, 2026. During this period, you will also be required to submit to the Mining Commission quarterly reports in respect to the performance of the local content plan.
4. Furthermore, in accordance to Regulation 37 of the Mining (Local Content) Regulations, 2018, you are required within Sixty (60) days of the beginning of each year to submit to the Mining Commission an annual Local Content Performance Report covering the period from when your Local Content Plan was approved.
5. It is our hope that you will implement the plan effectively while taking into consideration all other requirements of Section 102 of the Mining Act Cap 123 and its Mining (Local Content) Regulations, 2018. This includes a requirement for a non-indigenous Tanzanian Company which intends to provide goods and services to incorporate a joint venture company with an indigenous Tanzanian Company and afford that company an equity participation of at least twenty percent (20%) as per Regulation 8 (6) of the Mining (Local Content) Regulations, 2018.
6. You are also reminded that non-compliance to Local Content Regulations will subject you to penalties as stipulated under these Regulations.
7. Thank you for your continued cooperation.
